## MAL BEIS TA UN RIESGO GRAVE

Si bo ta sará of tin mal beis, lo ta bon idea pa conta te 10 of mas promer cu bo cuminzá stuur. Un investigacion door di e Ingles, Dr. Keith E. Jolles ta muestra cu un chauffeur su mal beis por resulta den un riesgo grave di tráfico. Problemanan matrimonial, argumentonan fuerte of un chauffeur irresponsable ariba caminda por causa bo un falta di concentracion cu por ser un invitacion pa un accidente. Indudablemente, tal condicionnan emocional por causa un trahador tambe di hayéle den peliger di accidente na su trabao tanto como tras di stuur.

## BAD TEMPER A GRAVE RISK

If you are upset or irritated, it might be wise to count to 10 or higher before driving. A study by British Dr. Keith E. Jolles shows that a driver's bad temper can constitute a grave traffic risk. Marital problems, intense arguments or the antics of a highway hot shot can cause a lack of concentration that may be an open invitation to an accident. Undoubtedly, such emotional upsets can cause a worker to get in accident trouble on the job as well as behind the wheel.
